Present Land Use/Zoning/General Plan Designation:

Recreation/ARP-F American River Parkway/Parks and Recreation

Project Description: (please use a separate page if necessary)

The Proposed Action is located in the City of Sacramento, California along the Lower American River (LAR). The Proposed Action in this document consists of the installation of approximately 7,800 linear feet of erosion protection and on-site riparian habitat features along two levee segments (Sites 2-2 and 2-3) of the LAR right bank (looking downstream) from just upstream of the Howe Avenue bridge to the downstream end of the Campus Commons Golf Course. The Proposed Action also includes creation of three off-site habitat restoration sites (Arden Pond and two areas at Rossmoor Bar) for mitigation, associated staging areas, stockpile sites, and haul routes, and reconstruction of the Campus Commons Golf Course.

Note: The state Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
If you have already sent your document to the agency please denote that with an "S".
